In such case, proceedings shall not be stayed other than by a court of record on application, or on notice to the Zoning Administrator

from whom the appeal is taken and on due cause shown.

**SECTION 19.5 POWERS OF BOARD OF ADJUSTMENT:** Upon appeals, the Board of Adjustment shall have the following powers:

- A. To hear and decide on applications for dimensional variances where, by reason of the exceptional narrowness, shallowness, or unusual shape of a site on the effective date of this Ordinance, or by reason of exceptional topographic conditions, or some other extraordinary situation or condition of that site, the literal enforcement of the dimensional requirements (height or width of building or size of yards, but not population density) of the zoning ordinance would deprive the applicant of reasonable capacity to make use of the land.
- B. To hear and decide appeals, where it is alleged, by the appellant, that there is an error in any order, requirement, decision, grant, or refusal made by a Zoning Administrator in the enforcement of this Ordinance. Such appeal shall be taken within sixty (60) consecutive calendar days.
- C. To hear and decide applications for conditional use permits to allow the proper integration into the community of uses which are specifically named herein, which may be suitable only in specific locations in the zone only if certain conditions are met, as specified in Section 9.13 of this Ordinance.
- D. To hear and decide, in accordance with the provisions of this Ordinance, requests for interpretation of the Official Zoning Map or for decisions upon other special questions upon which said board is authorized to act upon.
- E. To hear and decide, in accordance with the provisions of this Ordinance and the adopted comprehensive plan for the city of Park Hills, requests for the change from one nonconforming use to another.

**SECTION 19.6 DIMENSIONAL VARIANCES; CHANGE FROM ONE NONCONFORMING USE TO ANOTHER; CONDITIONS GOVERNING APPLICATIONS; PROCEDURES:**

- A. **DIMENSIONAL VARIANCES:** Before any dimensional variance is granted, the Board of Adjustment must find all of the following, which shall be recorded along with any imposed conditions or restrictions in its minutes and records and issued in written form to the applicant to constitute proof of the dimensional variance. Such dimensional variance shall not be granted by the Board of Adjustment unless and until:

1. A written application for a dimensional variance (including the required fee per Section 20.0 of this Ordinance) is submitted demonstrating:
  - a. That specific conditions and circumstances exist which are unique to the applicant's land and do not exist on other land in the same zone.
  - b. That the manner in which the strict application of the provisions of this Ordinance would deprive the applicant of a reasonable use of the land in the manner equivalent to the use permitted other land owners in the same zone.
  - c. That the unique conditions and circumstances are not the result of actions of the applicant taken subsequently to the adoption of this Ordinance.
  - d. Reasons that the dimensional variance will preserve, not harm the public safety and welfare, and will not alter the essential character of the neighborhood.
  - e. That granting the dimensional variance requested will not confer on the applicant any special privilege that is not conferred by this Ordinance to other lands, structures or buildings in the same zone. No nonconforming use of neighboring lands, structures, or buildings in the same zone shall be considered grounds for the issuance of a dimensional variance.
2. Notice of public hearing shall be given in accordance with Section 19.2 of this Ordinance.
3. The public hearing shall be held. Any person may appear in person, or by agent, or by attorney.
4. Prior to granting a variance:
  - a. The Board of Adjustment shall make findings that the requirements of this section have been met by the applicant for a variance.
  - b. The Board of Adjustment shall further make a finding that reasons set forth in the application justify the granting of a variance and that the variance is the minimum variance that will make possible the reasonable use of the land, building, or structure.

- 
5. In granting any dimensional variance, the Board of Adjustment may prescribe appropriate conditions and safeguards in conformity with this Ordinance. Violation of such conditions and safeguards, when made a part of the terms under which the dimensional variance is granted, shall be deemed a violation of this Ordinance and punishable under Section 17.9 of this Ordinance.
- 
- B. **DIMENSIONAL VARIANCE CANNOT CONTRADICT ZONING REGULATIONS:** The Board of Adjustment shall not possess the power to grant a dimensional variance to permit a use of any land, building, or structure which is not permitted by this Ordinance in the zone in question, or to alter the density requirements in the zone in question.
  - C. **DIMENSIONAL VARIANCE RUNS WITH LAND:** A dimensional variance applies to the property for which it is granted and not to the individual who applied for it. A dimensional variance also runs with the land is transferable to any future owner of land, but it cannot be transferred by the applicant to a different site.
  - D. **CHANGE FROM ONE NONCONFORMING USE TO ANOTHER:** No change from one nonconforming use to another will be granted by the Board of Adjustment, unless and until:
    1. The Board of Adjustment shall find that the new nonconforming use is in the same or more restrictive classification of use as the prior nonconforming use. In the determination of the same or more restrictive classification of use, the applicant shall establish and the Board of Adjustment shall find:
      - a. That the new nonconforming use shall generate less vehicular traffic (automobile and truck) than the prior nonconforming use;
      - b. That the new nonconforming use is of a nature which will emit less noise and air pollution than the prior nonconforming use;
      - c. That the new nonconforming use will be more in character with the existing neighborhood than the prior nonconforming use, in that it is more in conformance with the area - wide comprehensive plan as adopted by the Kenton County and Municipal Planning and Zoning Commission, and also, more in conformance with the uses permitted in the zone in which the use is located, than the prior nonconforming use.
    2. Any change of nonconforming use granted, permitted, or allowed by the

Board of Adjustment shall conform to and be governed by this Ordinance, including, but not limited to, parking requirements, sign regulations and yard requirements, and all other pertinent ordinances of the city of Park Hills.

3. The Board of Adjustment shall not allow the enlargement or extension of a nonconforming use beyond the scope and area of its operation at which time its use became nonconforming.
4. The Board of Adjustment, in granting, permitting, or allowing a change of nonconforming uses, may attach such conditions thereto as it may deem necessary and proper and the action, limitations, and conditions imposed, if any, shall be in writing, directed to the applicant, with a copy to be furnished to the city clerk, Building Inspector, and Administrative Officer. Violations of any of the conditions, as may be set for by the Board of Adjustment, shall be deemed a violation of this chapter and subject to the penalties described in this Ordinance.
5. The change of nonconforming use, as may be granted, permitted, or allowed by the Board of Adjustment, applies to the subject property and not to the individual who applied and, therefore, cannot be transferred by the applicant to a different property.
6. Unless otherwise specified at the time the change of nonconforming use is granted, permitted, or allowed, it applies to the subject property for an indefinite period of time. However, in the case where the change of nonconforming use has not occurred within a year after the date of granting thereof, then, without further action, the change of nonconforming use permit shall be null and void and reapplication to the Board of Adjustment shall have to be made.
7. The procedures for applying to the Board of Adjustment for a change in nonconforming use and the fees charged for such applications shall be the same as provided by Section 20.0, A., 2. of this Ordinance.
8. Notice of public hearing shall be given in accordance with Section 18.2 of this Ordinance.
9. The public hearing shall be held. Any person may appear in person, by agent, or by attorney.
10. Prior to granting a change from one nonconforming use to another, the Board of Adjustment shall make findings that the requirements of this and other applicable sections of this Ordinance have been met by the

applicant.

**SECTION 19.7 DECISIONS OF THE BOARD OF ADJUSTMENT:**

- A. In exercising the aforementioned powers, the Board of Adjustment may, so long as such action is in conformity with the terms of this Ordinance, reverse or affirm wholly or partly, or may modify the order, requirements, decision, or determination, as ought to be made, and to that end shall have powers of the Zoning Administrator, from whom the appeal is taken.
- B. A simple majority of the total membership of the Board of Adjustment, as established by regulation or agreement, shall be necessary to reverse any order, requirement, decision, or determination of the Zoning Administrator, or to decide in favor of the applicant on any matter upon which it is required to pass under this Ordinance, or to effect any variation in the application of this Ordinance.
- C. The details of the decision of the Board shall be forwarded to the Zoning Administrator.
