He reported this would allow the Commission to provide legal counsel’s remuneration in cash and a contribution to the County Employees Retirement System (CERS). He stated that the split payment would not result in increased payments to legal counsel—that the total payment would remain as originally proposed in the initial draft FY09 budget. Commissioner Litzler recommended that the Commission’s contract with Mr. Edmondson be amended to memorialize this new arrangement. Mr. Gordon responded that he would talk with Mr. Edmondson.
