Chairman Litzler asked for a roll call vote on the motion which found Commissioners Atkinson, Carran, Meier, Spoor, Weaver, and Chairman Litzler in favor of the motion. Chairman Litzler asked for legal counsel’s report. Mr. Edmondson stated that the County Clerk had submitted her signature recount report to Judge Bartlett and that a hearing is scheduled for next week. He indicated that only 14 signatures had been collected within the 90-day period which began on the date of the first signature (February 5, 2011) and that the signatures collected by Petition Partners were null and void. With regard to the fraud suit, Mr. Edmondson stated that he believes the Judge in that case is waiting for the Circuit case to be decided. There was a brief discussion regarding the interpretation of the number of signatures needed – 25% of those who actually voted or 25% of the number of people to who voted in the last presidential election.

Chairman Litzler asked the executive director for his report. Mr. Gordon stated that because he just returned from vacation, he would update members later in the week.

Chairman Litzler asked for a review of qualified electrical inspection providers and proposed contracts for FY13. Mr. Gordon stated that the RFQ process has been completed and that three firms had submitted responses. He indicated that all three met the requirements of the RFQ and that staff is working with Mr. Edmondson on the contract(s) for services. He listed the three electrical firms as follows:

IBI, 250 West Court Street, Suite 125W, Cincinnati, Ohio 45202
NEC Inspection and Education, PO Box 436, Hebron, Kentucky 41048
Electric Inspection, 5900 Centennial Circle, Suite 110, Florence, Kentucky 41042
Mr. Gordon recommended that members certify these three firms to conduct electrical inspections and authorize signature of the contract(s) subject to final review by Mr. Edmondson. He asked members if they had any questions and advised that representatives of all three firms were present. Members thanked all three representatives for their interest and briefly discussed the qualifications required.

Chairman Litzler then asked for a motion. Commissioner Meier made a motion to certify the three electrical inspection firms as outlined by Mr. Gordon and to authorize execution of the contracts on behalf of NKAPC subject to final approval by legal counsel; Commissioner Weaver seconded the motion. Commissioners Spoor and Weaver also requested that Commissioners Carran and Meier be substituted with regard to the Municipal Government League of Northern Kentucky.

The motion passed unanimously.

Chairman Litzler asked that each committee meet within the next 90 days to review their charges and, if necessary, set a meeting schedule. He then asked if there were any other reports from committees or members.

Commissioner Weaver indicated that the Long-Range Planning committee continues to meet regarding the comp plan and that it has been suggested that a representative of KCPC be included in that group. Commissioner Meier indicated that the Municipal Government League is hosting an event at Freedom Park this Thursday.

NEW BUSINESS

Mr. Gordon suggested moving item 12 up on the agenda to allow Mr. Williams to be heard before the remaining business. With no objections, Chairman Litzler asked for a review of the staff committee’s proposal on FY13 health care coverage. Mr. Williams of Sherrill Morgan thanked the members and provided a handout showing the quotes requested for similar plan design (a copy of which is attached to the original minutes). He briefly outlined the quotes received and stated that the policy will be on a fiscal year basis now rather than a calendar year. Mr. Gordon reminded members that working spouses with other health care available have been forced off the plan. He also advised that the health care committee has spent a great deal of time reviewing various options. There was discussion regarding the committee’s review process with Mr. Scribner and Ms. Remley providing information on behalf of the committee.
Members discussed the proposed FY13 health care plans and opt-out incentives at length and Chairman Litzler asked for a motion. Commissioner Weaver made a motion to approve the committee’s proposal for the FY13 health care and incentive plans; Commissioner Meier seconded the motion. Chairman Litzler asked for a roll call vote on the motion which found Commissioners Atkinson, Carran, Meier, Spoor, Weaver, and Chairman Litzler in favor of the motion. The motion passed unanimously.

Chairman Litzler thanked Mr. Williams and the health care committee for their time and effort.

Chairman Litzler asked for a review of staff’s proposal regarding billable hour’s rates for FY13. Mr. Gordon provided background and a handout which outlined the proposed rates (a copy of which is attached to the original minutes). He indicated that the proposed new rates are only $3-$4 higher than the current rates and that this shows that the Commission has been diligent in the past of keeping these numbers up to date. There was discussion regarding the breakdown of “overhead” and why this would only be charged to entities outside Kenton County. Mr. Gordon indicated that the overhead costs weren’t being charged to Kenton County customers due to the tax levy. He also advised members that the figures in the benefits column may change slightly based on employees selecting which health care plan they want.

After a brief discussion, Chairman Litzler asked for a motion. Commissioner Weaver made a motion to approve the billable hour’s rates for FY13 including any change due to insurance selection and costs change. Chairman Litzler asked for a roll call vote on the motion which found Commissioners Atkinson, Carran, Meier, Spoor, Weaver, and Chairman Litzler in favor of the motion. The motion passed unanimously.

Chairman Litzler asked for a review of the FY13 annual work program. Mr. Gordon provided background information and indicated that the work program includes more detail as well as the recommendations of the Council. There was discussion regarding benchmarking billable hour’s rates that were just approved (page 9, item 4) and Mr. Gordon indicated that this would be done.

After a lengthy discussion, Chairman Litzler asked for a motion. Commissioner Spoor made a motion to approve the FY13 annual work program and to present it to the full Council as presented; Commissioner Atkinson seconded the motion. Chairman Litzler asked for a roll call vote on the motion which found Commissioners Atkinson, Carran, Meier, Spoor, Weaver, and Chairman Litzler in favor of the motion. The motion passed unanimously.

Chairman Litzler then asked for a review of the staff’s proposal to issue an RFP to replace the Commission’s Pentamation permit-tracking/code enforcement/online reporting software. Mr. Gordon stated that the current program (Pentamation) originally cost $80,000 to purchase six years ago but has cost $40,000 per year since then to maintain including Fiscal Court fees, Cincinnati Bell T1 line, and Pentamation. He indicated that Mr. Logsdon and the other deputies had drafted an RFP with the help of Tom East and that the money to purchase a new program was included in the FY13 budget. Mr. Gordon indicated that the potential cost is $100,000 - $200,000 and that there would not be a monthly maintenance fee accompanying it so payback could be accomplished over just a few years.

After a brief discussion, Chairman Litzler asked for a motion. Commissioner Meier made a motion to authorize staff to issue an RFP to replace the Commission’s Pentamation permit-tracking/code enforcement/online reporting software; Commissioner Carran seconded the
motion. Chairman Litzler asked for a roll call vote on the motion which found Commissioners Atkinson, Carran, Meier, Spoor, Weaver, and Chairman Litzler in favor of the motion. The motion passed unanimously.

Chairman Litzler recognized NKAPCouncil President Dave Jansing. President Jansing advised members that he was happy with the Budget Review Committee’s recommendation of the proposed FY13 budget. He stated that, as Commissioners were aware, this is the most scrutinized budget in the history of the agency and he hadn’t received any comments from the other members.

Chairman Litzler reminded members of the upcoming meetings noted on the agenda and stated that the next Commission meeting would be held on Monday, July 23. With no additional new business, he adjourned the meeting at approximately 6:47 PM.
